

From

The Director General,  
Technical Education, Haryana,  
Bays No.7-12, Sector-4,  
Panchkula

To

The Principal (s),  
All Govt. / Govt. (Society Mode) <sup>Aided</sup> Polytechnics

Memo No. 486-528 /Acd.

Dated: 08/05/18

**Subject: - Regarding implementation of "Internal Revenue Generation" Scheme in Govt. and Govt. Aided Polytechnics.**

Kindly refer to the subject noted above.

In this connection, it has been decided by State Government that Govt. & Govt. Aided Polytechnics shall generate revenue of 3 to 5% of their salary budget, by motivating and involving the faculty & staff in sharing the programmes/ activities.

The Internal Revenue Generation would help in qualitative improvement & quantitative expansion of the Technician Education in the State which shall go a long way to fulfill the commitments of the Government and service to the Society. This can be done in many ways like;

- Sharing Machinery/equipment in laboratories/workshops with the industries located around the Institutes.
- On the job Training to the workman of the Industry apart for normal formal Training Programme.
- Arranging short-term, skill oriented courses for the persons working in the Industry /professional organizations
- Training Modules for unemployed persons.
- Undertaking repairs of maintenance of Machinery & equipment of Industry, Hospital, offices, Laboratories of other departments.
- Providing Technical Services to local Industries, repairs of house hold gadgets, i.e. ACs, Fridges, Mixis, Electrical Installation, Washing machines, agricultural implements etc.

Institutions should encourage and support the faculty in taking up consultancy (and testing) work. Teachers should actively liaise with industry to attract projects particularly, those which have elements of industrial problem- solving, student involvement and educative value.

This is for your kind information and necessary action

  
Joint Director  
For Director General Technical Education,  
Haryana, Panchkula
